

Visit From Mr. Adam Toma, National Manager Regulation And Enforcement Insolvency And Trustee Service Australia (ITSA) To Malaysia Department Of Insolvency (MdI) On 24 August 2011

MdI had received a visit from Mr. Adam Toma, National Manager Regulation And Enforcement Insolvency And Trustee Service Australia (ITSA) on August 24, 2011. The three-hour meeting was filled with presentations by MdI on the department's role and its achievements since April 2009. The agency had expressed their interest in understanding in depth on insolvency administration carried out by MdI following the presentation of Risk Management Plan by YBhg. Datuk Abdul Karim Abdul Jalil, Director General of Insolvency Malaysia in the Conference of International Association of Insolvency Regulators (IAIR) which was held in Jersey on 19 to 22 June 2011. The said plan had attracted international participants who attended the IAIR conference as it is an innovation method by MdI in dealing with insolvency risk. It is hoped that the bilateral cooperation between Malaysia and Australia in the affairs of insolvency will be a good platform to provide the best insolvency service globally.
